Terminal Execution

The following screenshot demonstrates the successful initialization of the Flask development server, indicating the application is ready to accept HTTP requests on local port 5000.

A terminal window titled "Terminal - naga@Venkat-PC: ~/Documents/smartlender/Flask" showing the execution of commands to start a Flask application. The commands include navigating to the project directory, activating the virtual environment, and running the application. The output shows the server starting on port 5000 with debug mode enabled.

```
Terminal - naga@Venkat-PC: ~/Documents/smartlender/Flask
File Edit View Terminal Tabs Help
naga@Venkat-PC:~/Documents$ cd smartlender/
naga@Venkat-PC:~/Documents/smartlender$ source .venv/bin/activate
(.venv) naga@Venkat-PC:~/Documents/smartlender$ cd Flask/
(.venv) naga@Venkat-PC:~/Documents/smartlender/Flask$ python3 app.py
* Serving Flask app 'app'
* Debug mode: on
WARNING: This is a development server. Do not use it in a production deployment.
Use a production WSGI server instead.
* Running on http://127.0.0.1:5000
Press CTRL+C to quit
* Restarting with stat
* Debugger is active!
* Debugger PIN: 182-244-266
```

Web Interface - Home Page

This screenshot displays the landing page of the SmartLender application. It outlines the project details, the technology stack utilized, and features the call-to-action button to navigate to the application form.

Figure 2: Landing / Home Page Interface

Web Interface - Form Input

This screenshot displays the user filling out the Loan Application Form with various demographic and financial parameters mapped to their respective integer encodings.

A screenshot of a web browser showing the 'Loan Application Form' at 'localhost:5000/apply'. A 'Back to Home' link is in the top right corner. The form is a white card with a title 'Loan Application Form' and a horizontal line below it. It contains several input fields arranged in a grid: 'Gender:' (dropdown with 'Male'), 'Married:' (dropdown with 'Yes'), 'Dependents:' (dropdown with '1'), 'Education:' (dropdown with 'Graduate'), 'Self Employed:' (dropdown with 'Yes'), 'Applicant Income:' (text input with '50000'), 'Coapplicant Income:' (text input with '0'), 'Loan Amount (in thousands):' (text input with '300000'), 'Loan Amount Term (days):' (dropdown with '360'), 'Credit History:' (dropdown with 'Meets guidelines (1)'), and 'Property Area:' (dropdown with 'Urban'). At the bottom of the card is a wide green button labeled 'Check Loan Status'.
